## IMPORTANT NOTES

1. The trading period will be extended according to terms of par.7, article 12 of the Regulation on Auctions.
2. A participant may be awarded part of the Requested Quantity, in accordance with the ranking rules of article 16 of the Regulation on Auctions, provided that the Participant has stated accordingly when submitting the bid.
3. The distribution of Guarantees of Origin issued for the production of October, November or December 2025 will follow the rule of par.8, article 18 of the Regulation on Auctions.
4. The auctioned Guarantees of Origin per month of production are the following:
  - 315.368 production period: October 2025
  - 237.764 production period: November 2025
  - 230.855 production period: December 2025
5. The rules for accepting bids as valid are those of article 16, after substituting in par.1 case d the term “reserved” and “temporary reserved” with the term “requested” (quantity).
